STAT   
G.A. Carver, Jr.

Attached is a memo entitled, "Hanoi's Difficulties in North and South Vietnam" which was prepared at the request of Mr. John Holdridge of the NSC Staff. In line with the specific request made, this memo is a catalogue of Hanoi's troubles and does not attempt a balanced assessment of Hanoi's present position. I thought you might find it of interest.

George A. Carver, Jr.  
Special Assistant for Vietnamese Affairs
